Mayor Naughton asked Mr. Hulsart's opinion about the Borough's debt and the ability to be able to pay it back responsibly. Mr. Hulsart answered that the Borough is in excellent condition.

Ms. Kirk noted that there is an amendment on the agenda this evening, the budget has been reviewed by the state of New Jersey and approved. She explained that the salaries of the judge and prosecutor was showing as outside the appropriations cap, it has to be inside the appropriations cap; it does not change anything in the budget.

**Block Party – 300 Block of Jersey Avenue – July 3, 2016** – Mr. Judge offered a motion to approve the request, seconded by Mrs. Venables. All in favor. None opposed.

Mr. Judge explained that he and Mr. Sagui evaluated the the number of events that the Borough has been receiving and whether or not there should be guidelines for the events. Mr. Judge discussed the list of requirements and guidelines. The requirements Mr. Judge, continued would be that the applicant shall be from an organization that has 501C3 status and no event is permitted on the boardwalk unless during permitted hours. He explained that the guidelines are to avoid more than two events per month, avoid more than one road closure per month, and avoid road closures on successive weekends May through September. He added that preference would be given to groups associated with Spring Lake or Monmouth County, preference would be given to neighboring municipalities applications, and preference would also be given to repeat 501C3 events. Mr. Judge stated that the guidelines are approved he would ask that the requirements and guidelines would be included with all applications being presented to the council as well as all previously approved events for the calendar year.

Mr. Dempsey stated that other towns have a higher application fee which may keep the registrations down; Spring Lake charges off-duty fees and an application fee of only fifty dollars.

Mr. Judge agreed with the reimbursement for the off-duty fees however, he would not be in favor of increasing the applications fee since the applicants are a 501C3.

Mayor Naughton completely agrees with the 501C3 status however, maybe there is a possibility that the council may consider something outside of those guidelines. Mr. Judge agreed and stated that if there is an exceptional circumstance maybe the race should be considered.

Mr. Frost stated that two races in the past the Byrne up the Road and the Randy Marks race were not 501C3 status; it is hard for families to get a 501C3 together in a short amount of time.

Mr. Sagui stated that those two events were held by the municipality and should be able to hold the event.

Peter Meade, 300 Worthington Avenue explained that 501C4's are veteran's organization, fire departments, and rescue squads.

Mr. Judge offered a motion to approve event application recommendations as revised, seconded by Mrs. Venables.
